Super Sam's refrain "where low prices live" rings true at the magnificent, new 50,000 square foot Webster showroom where guests will be wowed by the store's fabulous layout featuring living rooms, dining rooms, bedrooms, home entertainment, home office, outdoor, and "Kids Zone."

Home décor complements great furniture, and Exclusive Furniture's array of lamps, rugs, mirrors, artwork, and accessories—all priced so reasonably—will delight and inspire visitors. Sam Zavary takes Mayor Rogers on a tour.

UTMB Health Clear Lake Campus – 200 Blossom St.– 832.632.6500 – www.utmbhealth.com/locations/hospitals-campuses/clear-lake-campus/

Mayor Donna Rogers joins UTMB President Dr. David Callender and UTMB Vice Chancellor for Academic and Health Affairs Amy Shaw Thomas in celebrating the March 30 opening of this exceptional full-service hospital, located at 200 Blossom. UTMB Health Clear Lake Campus brings world-class healthcare to the region and provides a comprehensive range of women's services, advanced heart care, neurosciences, emergency care, and much more.

The University of Texas Medical Branch's extensive network includes hospitals on four campuses and more than 90 clinics throughout Southeast Texas, renowned for primary and specialty care. For more than 125 years, UTMB has a proven track record for providing exceptional healthcare, training healthcare professionals, and serving as a healthcare innovator.

The magnificent, modern hospital at 200 Blossom and UTMB are a perfect match. Webster's growing medical service area population that exceeds 1.8 M people depend on the world-class healthcare and convenience that Webster's medical center provides.

CoolZone Cryotherapy – 126 W. Bay Area Blvd. – 832.932.5148 – www.coolzonecryotherapy.com

CoolZone Cryotherapy offers an innovative form of healing in Webster that decreases muscle soreness and pain, reduces inflammation, burns a lot of calories, increases blood circulation, and promotes great health. Inside 126 West Bay Area Boulevard, Bay Area Square, Owner (and athlete) Clint Dollens provides whole body cryotherapy, localized cryotherapy, compression therapy, CoolZone facials, and infrared saunas—with the latest equipment and technology.

The main attraction is whole body cryotherapy, which simulates hypothermia and takes clients from -160 degrees F to -280 degrees F in a three-minute therapeutic session with no claustrophobia, as the client's head is outside the chamber. Clients don a robe and slippers, experience an endorphin rush, and reap the benefits of reducing pain, inflammation, and stress, increasing collagen and blood flow, burning 600-800 calories—all for a three-minute session!
