Additional Comments and Maintenance Concerns: _____

Proper operation and maintenance are the sole responsibility of the property owner and a vital part of ensuring the effectiveness of your detention pond. If you fail to complete the above maintenance in a timely manner please be advised that the City of Webster reserves the right to complete the maintenance, and assess the owner for any costs or damages incurred. You will be notified in advance if the City chooses to pursue this action.

I have completed the inspection of the indicated stormwater facilities and recorded my observations to the best of my knowledge.
