RE: Demolition and Construction Jobs – City of Webster, TX

Dear Construction Manager:

Please contact Republic Services for your temporary roll-off construction needs. **Republic Services has the exclusive contract to be the trash hauler for the City of Webster.** Republic Services can provide 20YD, 30YD, and 40YD roll-off containers to meet your construction job needs.

Section 70-7 of the code of ordinance of the City of Webster states:

“The city shall enter into a private contract with a contractor for collection of all garbage throughout the city. It is declared to be unlawful to violate the code of ordinances of the City of Webster and shall be punished by a fine not to exceed \$2,000 for each day of violation.”

Republic Services will collect and dispose of all of your construction and demolition related debris, including recyclable materials unless restricted by law. Listed are some items that are restricted: drums/barrels, whole tires, solvents, paint, petroleum products, pool chemicals, fertilizers, herbicides, pesticides, hazardous material/chemicals, car batteries, medical waste, medical sharps (needles, syringes) and closed containers.

We look forward to partnering with you.
